

IGNITION **STUDENT** CONFERENCE

December 28 – 30

Sacramento Convention Center

FOCUSED

WHAT ARE YOU LOOKING AT?

IGNITION

Ignition is a high energy conference for students in 7th-12th grades, their leaders, and parents. This year's theme is "FOCUS" and will help students set their minds on what is above, not on what is on the earth (based on Colossians 3:2). Everyone who registers by December 1 will receive a free conference t-shirt!
