

Women's Missionary Union Discussion

Saturday, February 25, 2012 @ 9:00 am

All women are invited to attend an organizational meeting to discuss the possibility of starting a Women's Missionary Union (WMU) organization at Meridian. The WMU is a women's ministry focused on leading women of all ages to put their faith in action through various missions projects and missions education activities. If you have an interest in helping us begin this ministry or if you would like to find out more, then plan to attend this information and fact finding meeting. We are planning to have a representative from the San Diego Southern Baptist Association WMU leadership as our speaker that morning.
